SECTION C

C1. (CANDIDATE CARD AND PENCIL) Here is a list of persons who are possible presidential candidates this year. Many people tell us they have not heard much about some of the persons on this list. Would you please read over the list and, in the box provided, put a zero ("0") by the name of any candidate you have never heard of.

FOR OFFICE USE ONLY:	<u>CANDIDATE CARD</u>
<input type="checkbox"/>	a. JIMMY CARTER
<input type="checkbox"/>	b. RONALD REAGAN
<input type="checkbox"/>	c. TED KENNEDY
<input type="checkbox"/>	d. JOHN CONNALLY

C2. Many people also tell us there are candidates they feel they don't know much about, even though they have heard their names before. Would you please go down the list of candidates again and, in the box, put an "X" by the name of any candidate you have heard of but feel you don't know much about.

INTERVIEWER: RETRIEVE CANDIDATE CARD AND PENCIL

Thank you. This will be very helpful to me, since the candidates left (READ CANDIDATE NAMES NOT "Oed" OR "Xed," CIRCLING THE LETTERS AS YOU GO), are the ones we will talk more about.

INTERVIEWER: HEREAFTER, ASK CANDIDATE QUESTIONS ONLY ABOUT CANDIDATES WHOSE LETTERS ARE CIRCLED. QUESTIONS ABOUT CANDIDATES NOT CIRCLED ON THE CARD SHOULD BE MARKED "INAP." PAGES ON WHICH THERE ARE QUESTIONS REQUIRING YOU TO REFER TO THE CANDIDATE CARD ARE MARKED WITH A BOX AROUND THE PAGE NUMBER.

C3. (R.B., P. 1) I'd like to get your feelings toward some of our political leaders and other people who are in the news these days.

I'll read the name of a person and I'd like you to rate that person using this feeling thermometer. You may use any number from 0 to 100 for rating. Ratings between 50 degrees and 100 degrees mean that you feel favorable and warm toward the person. Ratings between 0 degrees and 50 degrees mean that you don't feel too favorable toward the person.

If you don't feel particularly warm or cold toward the person, you would rate the person at the 50 degree mark.

Our first person is Jimmy Carter. How would you rate him using the thermometer?

Y11. CLOSING STATEMENT: These are all the questions I have. I would like to thank you for agreeing to participate in our study again. Your cooperation is most appreciated.

Again, our office in Ann Arbor, Michigan, may wish to contact you by letter or phone to verify this interview. And we may also want to contact you again to arrange a final personal interview similar to the ones we have already completed.

Y11a. IF PANEL RESPONDENT REFUSES ANY FUTURE CONTACT AT THIS POINT: (CHECK BOX IF THIS STATEMENT IS USED)

We realize you have already given us a great deal of your time. Should we contact you again it will be to obtain a highly valuable third interview with you. The information we are gathering in this study will be used as a national resource for years to come by researchers, political analysts or commentators, and people who make decisions in government. Your continuing participation will allow us to understand how people's opinions and attitudes form and develop during the course of an election year. To do this well, we need to talk more than once to you and people like you with whom we have had contact earlier in the year.

Of course the final decision will rest with you, but I hope you will postpone your refusal until the time we recontact you -- and see how you feel about participating in the study then.
